23 November 2026

Shareholding in AB Dynamics plc

Science Group plc ("Science Group") is an international services and systems company delivering innovation through the application of science, technology and engineering.

Science Group has acquired a shareholding in AB Dynamics plc ("ABDP" or "AB Dynamics"). At market close on 20 November 2026, Science Group owns approx. 2.1 million shares in ABDP, equivalent to 9.05% of the voting rights. The total investment to date, including brokerage fees, is approx. £15.9 million, an average cost of approx. 764 pence per share.

At 13 November 2026, Science Group had Group cash of £62.1 million, with net funds of £51.1 million. ABDP share purchases since 13 November have totalled £10.7 million. The Group's RCF (£30 million) remains undrawn.

Science Group may or may not increase its shareholding in AB Dynamics.
