

18 April 2023

Dear Shareholder

Go paperless and support our environmental aims

The purpose of this letter is to give you the opportunity to confirm how you wish to receive shareholder information, such as the annual report and accounts, meeting notices and other shareholder circulars, from Science Group plc in the future. Our preference is to use our website (www.sciencegroup.com) to communicate with shareholders wherever possible as this provides a number of benefits:

- helping us to reduce our environmental impact in accordance with our ESG principles by saving paper, reducing waste and the carbon cost of document production and transportation;
- providing you with easier and quicker access to documents; and
- reducing the cost of printing and delivery of Documents.

To go paperless, please register for Shareview, a free and secure online service, at www.shareview.co.uk to elect to receive your shareholder communications electronically. Registration is quick and easy and provides a number of other benefits in the administration of your shareholding. If you already have a Shareview account, please check that your communication preference is set to receive email notifications. Once selected, you will receive an email notification when documentation is available on our website.

By going paperless, you will enable us to provide you with shareholder information in an environmentally friendly, timely and cost effective manner. We strongly encourage you to support us in these aims.

If you have any questions regarding paperless communications or your other options, please contact our Registrar, Equiniti, on +44 (0) 371 384 2030 (if calling from outside of the UK, please ensure the country code is used). Lines are open 8.30am to 5.30pm Monday to Friday (excluding public holidays in England and Wales).

If you wish to continue to receive your shareholder communications in hard copy, details can be found below.

Yours faithfully

Sarah Cole
Company Secretary
Science Group plc
